I hope everyone is enjoying the summer weather as well as being busy doing yard work and also our community endeavors.

Condolences go out to the Davidson Family for the passing of Jennifer's father, our thoughts are with you. We had fabulous turnout for the Highway and County cleanups. After the cleanup we gathered at the Golf Course Club House for a Smokey roast. A big thank you to ALL who helped keep our community clean and well cared for. Many thanks for all the volunteers who gave of their time to keep Nordegg looking clean and well cared for. Many thanks to Cheryl Hobbs for arranging the barbeque, the weather was perfect and it was a job well done.

Our May meeting was on Saturday May 18th and was preceded by a wiener roast and then the meeting with 41 people turning out for the event, Thank YOU everyone. Many new people joined the association and we had positive feed back for volunteers for our summer events. Thanks to ALL who attended.

A big thanks to the busy beavers who have completed the outside stage, great job everyone. Many of the same volunteers have also been involved with the upgrades at the golf course. Congratulations to Kayley Warawa for running the golf course, it is nice to see our young people being involved in our community.

Just a reminder to all our Nordegg residents that I am still taking donations of bottles for the hall. Thank you ALL who have been dropping off bags of bottles at our acreage, #12 Willow Way. Even if we aren't there you can leave them in one of the tents. This has turned into

a very lucrative fund raiser to help support our hall, so thank you everyone who takes the time to donate their bottles.

We look forward to a very busy, fun summer.

The Nordegg Community church would like to invite you to join us Sunday mornings at 10:00 in the Nordegg historic church. We meet together to learn from the Holy Bible and worship together. Join us every 3rd Sunday of the month to share a meal together after the church service.

Dave Tarr is the Outreach Coordinator for the Nordegg Community Church. On behalf of the NCC I am asking for your help identifying the needs in the community. We have some welcome/info packages we would like to be able to hand out to those who are new to Nordegg. If you know of anyone who has recently moved here we would love to welcome them and pass along the package. If there is anything you or your business would like to add to them we also welcome additions.

Also, if you know of anyone who is in need of some help or a meal the Nordegg Community Church would also like to be able to help. Let's come

together and take time to look after and support each other. If you know of anyone who could use these services or if you would like to help please let me know. 403-721-2347.

Document Your Property

Take video/photo's of your valuable items
 Put a unique mark on them (permanent marker/
 engraver/ invisible marker such as a Trace Pen)
 Record the serial numbers!

This is critical for police to be able to recover your
 property if found.

We suggest take pictures of all your serial numbers and
 valuables:

Burn to a DVD or thumb drive

Have a copy stored somewhere else other than home as
 a precaution

Being Away this Summer

Don't post on **Social Media** when you are away

If criminals can figure out your last name, and location
 (such as your family name outside of your gate) its easier
 to search on Facebook, Instagram, Twitter.

Have a trusted neighbour check your property and
 ensure it appears that you are "home"

Fire Safety at Your Home Away from Home

Peer-to-peer hospitality services, such as Airbnb, Vacation Rentals by Owner and other types of vacation rentals are not regulated in the same way as hotels. Requirements vary widely across jurisdictions. Act as your own safety advocate and know before you go. Be sure the following safety measures are addressed.

SAFETY TIPS

- ✓ Working smoke alarms are in every sleeping room. They are outside each separate sleeping area. They are on every level of the home.
- ✓ Working smoke alarms are interconnected, if possible. When one alarm sounds, they all sound.
- ✓ Portable fire extinguishers are in the home and are easy to reach.
- ✓ Working carbon monoxide alarms are outside each separate sleeping area. They are on every level of the home and in other locations as required by laws, codes, or standards.
- ✓ The owner has posted a floor plan. It notes all escape routes and exits and provides emergency contact information.
- ✓ Everyone knows the address of the home.
- ✓ Everyone staying in the home has identified two ways out of every room and how to escape in an emergency.
- ✓ All doors and windows that lead outside are able to be opened.
- ✓ An outside meeting place has been chosen. It is a safe distance away from the home.
- ✓ Everyone knows how to call 9-1-1 or the local emergency number from a cell phone from outside.
- ✓ If smoking is allowed, a smoking area has been designated and is well away from the structure. Deep, sturdy ashtrays have been provided.
- ✓ All pathways are free and clear of tripping hazards.
- ✓ Electrical outlets are free from multiple cords and adaptors.
- ✓ The stovetop is clear. Anything that can catch fire is not near the stovetop, such as curtains and towels.

WINDOW AND DOOR ALERT!

Be on the lookout for rooms with tiny windows. These are too small to serve as a means of escape.

Security bars on doors and windows can trap people in a fire. Make sure any security bars have quick-release devices. Tools, keys, or special efforts should not be needed to open them.

KNOW BEFORE YOU GO

Peer-to-peer hospitality services are not regulated in the same way as hotels. Requirements vary widely across jurisdictions. Do your homework before making a reservation. Check online to see your travel destination's regulations for rental properties. Ask your host if the property meets the regulations. Discuss other safety concerns you may have.

Check the forecast in case of storms that could cause power outages; assure the property has equipment (batteries, lanterns, etc.) in the event of a power outage.
